The Durham Ox Wedding Pack

You invite the guests & let us do the rest!

Frequently asked questions and a few pointers to help you on your way...

Your own menu ideas

We completely understand that your celebration wants to be unique, and combine as much of your own personality and ideas as possible. Our wedding organisation team and our chefs aim to accommodate as many of your own ideas as possible. Please understand that the menus we have produced are created and designed, not just made up and their costs and logistics in actually delivering them are carefully planned especially for large numbers. We are just as anxious as you are, for all of your guests to have the “wow” factor, and will consider all options to make your party your own. There are a number of realistic and practical logistics that have to be considered when catering for a large number of people.

Just about anything is possible if your budget will allow. But increasing labour and equipment will increase your costs.

Bringing your own food

We champion local producers, and the provenance of our produce is at the heart of all our food and menu decisions, both in all our Inns, and the outside catering operations.

However, other than your wedding cake, unfortunately, we cannot allow any food not provided by ourselves to be consumed at the event.

If you have a reason to want to use a specific producer or supplier, then we will certainly consider this. There are always exceptions such as wedding favours, kids’ sweets and so on. (If you are not sure please ask us before the day.)

Table Configuration, Linen, Napkins and Cutlery

The Durham Ox Catering will provide glassware, cutlery and white china. White linen napkins and table cloths are included in our menu price.

We have contacts for speciality linen, who have every design and colour that you can imagine. Coloured table cloths, coloured napkins, themed and coloured glassware are considered as extras and will incur a charge.

We will advise and help you arrange tables and the room configuration that you want prior to our team setting up the tables.

Staffing and Management

Chefs and waiting staff are included in our pricing.

There will be a Manager on the day as well as a kitchen team and smartly dressed waiting staff. Our staff wear black and white and aprons.

Master of Ceremony or Toastmaster

One of our team can call the room to "order" and announce the "bride and groom".

We do suggest that you ask a member of the family, or a close friend to act as toastmaster or master of ceremonies, rather than someone outside your wedding party.

Tastings

We are happy wherever possible to do a client tasting for two people and in most cases we can reproduce the dishes in advance of your celebration, so that you are happy with your choice of menu. Seasonal produce can sometimes be an obstacle, and we can only describe, canapés, a buffet or BBQ.

The first tasting is complimentary as part of a confirmed booking, and we are happy to provide this as a lunch or dinner and you can relax and eat your menu. This does not include drinks. Client tastings must be booked in advance so that we can make sure that a Durham Ox catering representative is there for your questions and comments. Please arrange with your wedding coordinator, for a Monday to Thursday, during our normal opening hours. Other tastings thereafter will incur the cost of the dishes chosen.

Service Charge

A 10% discretionary service charge is added to your food and drinks bill.

This is entirely at the client's discretion.

Marquees and Field Kitchens

When marquees are used, separate catering tent and field kitchen will need to be provided adjoining the main area. This is at the client's expense. The amount of equipment needed will depend on the menu choice and numbers. For up to 100 guests including canapés and a hot 3 course wedding breakfast you are looking in the region of £500.

We take our barbecue cooking as seriously as we do everything else.... Professionally prepared and chargrilled barbecued food can be extraordinarily tasty as well as dramatic and exciting, this is not burnt sausages and charred burgers!

We can easily turn a simple barbecue & buffet into a gourmet feast for those guests wanting a relaxed, informal dining option without compromising on the variety and quality of ingredients.

This type of dining is perfect for guests wishing to take full advantage of the barn and garden area.... and goes down extremely well when there are a number of guests with children.

Draft Beer and Evening Bar...

Being in North Yorkshire real ale is often vital to a celebration! We have facilities to dispense real ale, however, we cannot do this on a sale or return basis and require clients to pay for the entire barrels. We currently use Yorkshires most famous brewery, Black Sheep at Masham.

- A barrel costs around £179 (TBC) (72 pints, and quantities thereof)
- Bottled real ale can also be provided.
- Lager is served in bottles.
- We have a fully stocked bar with most spirits and mixers and soft drinks.
- Any specialist requests can be considered.
- A clients tab can be set up or a full paying bar can be provided.
- Or a mixture of the two, e.g. client pays for wine and beer, all extras to be charged as taken.

All of our drinks prices are at our pub prices.

Corkage...

We charge corkage in the traditional way of a per bottle basis, at £9.95 per bottle if you want to supply your own wine and champagne throughout the day. We are a company that supplies all glassware, ice, ice buckets, refrigeration and of course staff to serve your drinks.

This does not include spirits or beer that must be purchased through us. (Organising, delivery, racking, cellaring, suitable mixers and so on and making sure it is compatible with our equipment)
